Independent Auditor's Report

Board of Directors Extended Housing, Inc. Painesville, Ohio

Report on Financial Statements

We have audited the accompanying financial statements of Extended Housing, Inc. (a non-profit agency), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities and net assets, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Extended Housing, Inc. as of June 30, 2020 and 2019, and changes in its net assets and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

1

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of Federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR), Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements of Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 25, 2022 on our consideration of Extended Housing, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Extended Housing, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Extended Housing, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED JUNE 30, 2020 AND 2019

1. Description of Agency and summary of significant accounting policies:

Description of Agency:

Extended Housing, Inc. (Agency) was incorporated in 1983, as a private, non-profit corporation for the purpose of providing housing for individuals with social, emotional, intellectual and/or physical disabilities. The Agency owns and manages several multi-family apartment facilities in Lake County, Ohio.

The Agency's mission is to prevent and end homelessness for individuals in Lake County with a serious mental illness. Governed by a Board of Directors, the Agency is certified by the Ohio Mental Health and Addiction Services and receives funding and support from the Lake County Alcohol, Drug Addiction and Mental Health Services (ADAMHS) Board. The Agency receives a substantial portion of its revenue funded by the purchase of services or contracts with ADAMHS. These are renewable contracts through June 30, 2020 which were subsequently renewed through June 30, 2022.

The Agency's programs include the following:

Management Owned Properties:

The Agency owns and manages 18 residential housing facilities in Lake County, Ohio, consisting of two group homes, one residential care home, seven condominiums, five apartment buildings, and three single homes (attached to one of these homes are three one-bedroom apartments). These facilities provide housing for individuals with social, emotional, intellectual and/or physical disabilities. Funding for the operation of these facilities is provided primarily by tenant rents.

The Agency's Property Acquisition & Management department is responsible for the upkeep and routine maintenance of these properties, as well as the Agency's nineteenth property, the Extended Housing Wellness Center (EHWC), formerly known as the Hillside Professional Center. The EHWC was purchased by the Agency in 2012, and the Agency's operations are located on the third floor. Approximately three-quarters of the building is occupied by nonprofit, nonclinical services and other nonprofits are in consideration. The EHWC is a collaboration of non-profit organizations that focus on supporting and developing community wellness.

Residential Care:

North Coast House is a voluntary transitional housing program, which serves adult residents in Lake County with severe mental illness. Individuals requesting services at North Coast House often have a long history of psychiatric hospitalizations and demonstrate a history of being unable to live independently. The program also serves those who are homeless and in need of short term, transitional residential services. North Coast House provides 24-hour staff presence to assist residents in developing and implementing daily living skills and in utilizing community resources. North Coast House provides ongoing individual programming within the residential setting based on the resident's needs and desires. The ultimate goal of North Coast House is for residents to take what they have learned in the home and utilize the skills in an independent living environment. The Agency transitioned the operations of North Coast House to another non-profit organization during the fiscal year ended June 30, 2021.

1. Description of Agency and summary of significant accounting policies (continued):

McNaughton Apartments:

McNaughton Place Apartments is a 12-unit apartment complex located in Painesville, Ohio. During 2017, the apartment complex was converted through attrition from a 21-bed, 12-unit apartment complex to a 12-unit complex with nine of the units having a den. This Project is owned by the Agency and provides housing for income eligible individuals with social, emotional, intellectual and/or physical disabilities. Funding for this program is provided by the U.S. Department of Housing and Urban Development (HUD).

McKinley Grove Apartments:

McKinley Grove Apartments is a 17-bed apartment complex located in Painesville, Ohio. Construction of the apartment complex was completed in 2013 with tenant housing beginning on June 28, 2013. This is the Agency's first supportive housing with services available on-site. The Agency's Property Maintenance and Management department relocated their office to McKinley Grove.

Rental Subsidy Programs:

The purpose of these programs is to assist individuals with severe and persistent mental illness to obtain and maintain permanent community housing. Funding for these programs is provided by the Lake County ADAMHS Board and the HOME Program through the Lake County Board of Commissioners. In addition, housing loans are available to assist with a security deposit or first month's rent.

PATH Program:

The purpose of this program is to link newly identified mentally ill, homeless individuals with mental health and housing services. The program also provides vouchers, bus tokens, blankets, food and other emergency supplies to homeless individuals. Funding for this program is provided by the Lake County ADAMHS Board and the U.S. Federal government.

Permanent Supportive Housing Program:

This program provides support staff to the Agency through a housing operations grant from the Ohio Development Services Agency. These positions at the Agency are integral in providing permanent supportive housing within the Agency's mission and consist of a Housing Assistant, Fiscal Assistant, and Property Management Assistant.

Continuum of Care Programs:

These programs provide rental assistance to hard-to-serve homeless individuals with disabilities in connection with supportive services funded from sources outside the program. Funding for these programs is provided by HUD.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

YEARS ENDED JUNE 30, 2020 AND 2019

1. Description of Agency and summary of significant accounting policies (continued):

Housing Support Workers:

The Housing Support Workers (HSW) grant enables the Agency to employ three full-time employees to provide support to low-income tenants within the Agency's programs to obtain and maintain housing. Agency staff provides housing support to tenants and program recipients through wellness checks, referrals, advocacy, and linkage to other services. These employees work with landlords, secure housing, and explain tenants' rights and responsibilities to individuals regarding these programs.

The first employee manages the housing subsidies with outside landlords and tenant housing loans. The second employee manages housing subsidies for tenants in the Agency's properties, HOME tenant based rental assistance for veterans with mental illness, McNaughton Apartments, and assists with housing placement in the Agency's properties. The third employee manages all Continuum of Care programs and participates in Mental Health Court to assist those in need of housing.

Emergency Housing Voucher Program:

The purpose of this program is to provide housing to the most chronic severely mentally ill individuals in Lake County whose symptoms are exacerbated by chronically unstable living conditions. There are many determining factors that must apply for individuals to become eligible to participate in the program. Treatment is also provided to ensure particular goals can be met to prepare the individuals for when more permanent housing becomes available to them. Funding for this program is provided by the Lake County ADAMHS board.

Accounting basis:

The accompanying financial statements have been prepared, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP), as prescribed in the American Institute of Certified Public Accountants' Audit and Accounting Guide, *Not-for-Profit Entities*.

Financial statement presentation:

The Agency classifies net assets, revenues, gains and other support and expenses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported in two categories as follows:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Agency's management and the Board of Directors.

1. Description of Agency and summary of significant accounting policies (continued):

Financial statement presentation (continued):

Net assets with donor restrictions: Net assets that are subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Agency or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity. The Agency currently does not have any funds that are restricted in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities and net assets. In 2019, net assets totaling \$396 were released from donor restriction due to the satisfaction for the restricted purpose of the Homeless Advocacy Council.

Property and equipment:

Property and equipment is stated at cost, or in the case of contributed property, at fair market value as of the date of the contribution. Renewals and betterments are capitalized. The costs of maintenance and repairs are charged to expense as incurred. Gains and losses on asset retirement or disposition are reflected in the statements of activities and net assets. Depreciation is computed using the straight-line method over the following estimated useful lives:

Land improvements	15 – 35 years
Buildings and building improvements	15 – 35 years
Furniture and fixtures	5 – 15 years
Equipment and software	5 – 15 years
Vehicles	5 years

Grants, other receivables and deferred revenue:

The funds due from various funding sources under grants and reimbursement contracts are recognized as revenue in the accounting period when the expenditures are incurred and the grant funds are earned. Grants receivable represent expended grant award funds due to the Agency.

Receivables are recorded at the amount expected to be collected. In evaluating the collectability of receivables, the Agency considers a number of factors, including the age of the accounts, changes in collection patterns, the composition of accounts and general industry conditions. An allowance for doubtful accounts is recorded based upon a consideration of the likelihood that accounts will not be collected in full. The Agency has provided an allowance for doubtful of accounts of \$25,000 at June 30, 2020 and \$15,000 at June 30, 2019.

Deferred revenue consists of cash received for grants that have not been earned and/or expended at year end.

1. Description of Agency and summary of significant accounting policies (continued):

Functional allocation of expenses:

The costs of providing program activities have been summarized on a functional basis in the statements of functional expenses. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. Expenses that are allocated include personnel expenses (i.e. salaries and wages, payroll taxes and benefits) and administrative expenses. Personnel expenses are allocated based on job description and time and effort. Administrative expenses, if not directly identifiable by program or support service, are allocated on best estimate of management.

Income taxes:

The Agency is a private, non-profit corporation and is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. None of the Agency's present or anticipated future activities are subject to taxation as unrelated business income. Therefore, no provision for income taxes has been made in the accompanying financial statements.

Use of estimates:

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect amounts reported in the financial statements and accompanying notes. Actual results may differ from those estimates and assumptions.

Recent accounting pronouncements:

In May 2014, Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* (Topic 606). The guidance in this ASU supersedes the revenue recognition requirements in Topic 605, Revenue Recognition, and most industry-specific guidance throughout the industry topics of the FASB Accounting Standards Codification (ASC). The core principle of this ASU is that an entity should recognize revenue to depict the transfer of promised goods or services in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. To achieve that core principle, an entity should apply the following steps, (1) identify the contract(s), (2) identify the performance obligations in the contract, (3) determine the transaction price, (4) allocate the transaction price to the performance obligations in the contract, and (5) recognize revenue when (or as) the entity satisfies a performance obligation. FASB issued ASU No. 2020-05 in June 2020 to provide nonpublic companies who have not adopted ASU 2014-09 another year to adopt this ASU. Therefore, ASU 2014-09 is effective for annual reporting periods beginning after December 15, 2019 and as a result, the Agency will be required to adopt and implement this standard for its fiscal year ended June 30, 2021.

1. Description of Agency and summary of significant accounting policies (continued):

Recent accounting pronouncements (continued):

In February 2016, FASB issued ASU No. 2016-02, *Leases* (Topic 842). This ASU requires lessees to recognize assets and liabilities on the statement of financial position for leases with lease terms greater than twelve months. The recognition, measurement and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. This ASU amends current guidance that requires only capital leases to be recognized on the lessee's statement of financial position. The ASU will also require additional disclosures on the amount, timing and uncertainty of cash flows arising from leases. However, the accounting applied by a lessor is largely unchanged from that under the previous accounting guidance in Topic (840) *Leases*. Changes to the lesser accounting guidance were made to: (1) align the lessor accounting with specific changes made to the lessee accounting guidance such as certain glossary terms that are applied by lessees and lessors and (2) align key aspects of the lessor accounting model with the new revenue recognition guidance (Topic 606). FASB issued ASU No. 2020-05 in June 2020 to provide nonpublic companies who have not adopted ASU 2016-02 another year to adopt this ASU. Therefore, ASU 2016-02 is effective for annual reporting periods beginning after December 15, 2021 and as a result, the Agency will be required to adopt and implement this standard for its fiscal year ended June 30, 2023.

Management is in the process of determining the impact that the above ASUs will have on its financial statements, and will adopt the provisions of these new standards upon the respective effective dates.

Recently adopted accounting pronouncements:

In June 2018, the FASB issued ASU 2018-08, *Not-for-Profit Entities* (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made.* The objective of this ASU will assist entities in (1) evaluating whether transactions should be accounted for as contributions within the scope of Topic 958, Not-for-Profit Entities, or as exchange transactions subject to other guidance and (2) determining whether a contribution is conditional. For transactions in which an entity is the resource recipient, the ASU is effective for fiscal years beginning after December 15, 2018, therefore the Agency was required to adopt and implement this standard for the year ended June 30, 2020. There was no significant impact to the Agency's financial statements in implementing the resource recipient provision of this standard. For transactions in which the entity serves as a resource provider, the ASU is effective for fiscal years beginning after December 30, 2020. There was no significant impact to the Agency's financial statements in implementing the resource recipient provision of this standard. For transactions in which the entity serves as a resource provider, the ASU is effective for fiscal years beginning after December 15, 2019 and, therefore, the Agency will be required to adopt the resource provider provision of this standard for its fiscal year ended June 30, 2021.

In November 2016, FASB issued No. 2016-18, *Statement of Cash Flows* (Topic 230). The amendments to this ASU require that a statement of cash flows detail the change during the period in total cash, cash equivalents, and amounts generally described as restricted cash or restricted cash equivalents. Therefore, amounts generally described as restricted cash equivalents should be included with cash and cash equivalents when reconciling beginning-of-period and end-of-period total amounts presented on the statement of cash flows. This standard was effective for nonpublic companies for fiscal year beginning after December 15, 2018 and, therefore, the Agency adopted and implemented this standard for the year ended June 30, 2020. The Agency adopted the provisions of this ASU using the retrospective method thereby restating (increasing) cash and restricted cash flows by \$163,299 at July 1, 2018 and \$150,683 at July 1, 2019.

1. Description of Agency and summary of significant accounting policies (continued):

Reclassification:

Certain amounts included in the 2019 financial statements have been reclassified to conform with the 2020 presentation.

Subsequent events:

In preparing these financial statements, the Agency has evaluated events and transactions for potential recognition or disclosure through February 25, 2022, the date the Agency's financial statements were available to be issued.

2. Cash, Board restricted reserve:

The Board of Directors has restricted certain funds for repairs and improvements of management owned properties. The Board of Directors may, at its discretion, subsequently determine to use the cash for other purposes. This reserve totaled \$63,523 at June 30, 2020 and \$45,319 at June 30, 2019.

3. Restricted deposits and funded reserves:

McNaughton Apartments operates under Section 202 of the National Housing Act. Such projects are regulated by HUD as to rent charges and operating methods. Under the terms of the regulatory agreement with HUD, McNaughton Apartments is required to establish and maintain a reserve to cover the cost of property replacements. The reserve for replacements totaled \$67,842 at June 30, 2020 and \$58,640 at June 30, 2019. These amounts are held in a separate bank account and are generally not available for operating purposes.

McKinley Grove is required to maintain reserves to cover the cost of property replacements. These deposits are held in a separate bank account and totaled \$53,289 at June 30, 2020 and \$46,724 at June 30, 2019.

4. Grants and other receivables:

5. Line of credit and advance payable, loan payable and long-term debt:

Advance payable:

During 2020, the Agency received a \$71,000 non-Medicaid non-interest bearing advance from the Lake County ADAMHS Board for the elevator project to be repaid from the Ohio MHAS forgivable loan. This advance was repaid during the fiscal year ending June 30, 2021.

Line of credit:

The Agency has a \$200,000 line of credit from a bank payable on demand. The interest rate is based on the prime rate plus .5% and was at 3.75% at June 30, 2020 and 6.00% at June 30, 2019. The line of credit is collateralized by certain real property including assignment of rentals on such property. Outstanding borrowings under the line of credit totaled \$173,000 at June 30, 2020 and \$129,000 at June 30, 2019.

Loan payable:

During the year ended June 30, 2019, the Agency received a \$25,500 (total loan to be drawn upon is \$35,000) loan from Corporation for Supportive Housing (CSH) to finance the predevelopment expenses associated with development of 12 to 21 bedroom units on a single site. The loan is to be repaid by the earlier of the closing of predevelopment or construction financing or 36 months from anticipated closing. The note is noninterest bearing and the loan has full recourse against the Agency. The loan may be forgiven upon written request by the Agency in the event that the project is unable to proceed through no fault of the Agency, however such forgiveness is the sole discretion of the CSH. Based on the terms of the loan, the loan has been classified as noncurrent in the statements of financial position.

Long-term debt:

Long-term debt consists of the following at June 30, 2020 and 2019:	 2020	 2019
Various non-interest bearing notes, payable to Ohio MHAS, principal portion to be forgiven in equal monthly amounts; amounts to be forgiven annually of \$63,704 in 2021 through 2025 and \$930,394 thereafter, (see (A) below)	\$ 1,244,876	\$ 1,105,894

YEARS ENDED JUNE 30, 2020 AND 2019

7. Lease commitments:

The Agency leases equipment under certain non-cancelable operating lease agreements. The leases are properly treated as operating leases.

The Agency has entered into four operating lease agreements with non-profit organizations with various lease terms. Each lease provides the nonprofit organization the option to extend the lease. The lessee under the tenyear lease has the right to terminate the lease based on certain conditions occurring (as defined in the lease agreement) during the term of the agreement.

Rent income under these leases was \$61,568 in 2020 and \$50,472 in 2019.

Future minimum rental revenue receipts are as follows:

2021	\$	61,389
2022	Ŧ	58,249
2023		, 44,847
2024		45,244
2025		46,869
Thereafter		48,998
	<u>\$</u>	<u>305,596</u>

8. Net assets with donor restrictions:

Net assets with donor restrictions are available for the following purposes at June 30, 2020 and 2019:

YEARS ENDED JUNE 30, 2020 AND 2019

9. Concentration of risk:

The Agency maintains its cash in various local bank accounts. The Agency, throughout the year and at June 30, 2020 and 2019, had cash, including outstanding checks, on deposit at banks in excess of federally insured limits.

Grants receivable are due from governmental agencies.

The Agency's operations are concentrated in providing housing to individuals with social, emotional, intellectual and/or physical disabilities. In addition, the Agency operates in a heavily regulated environment. The operations of the Agency are subject to the administrative directives, rules and regulations of various Federal, state and local regulatory agencies, including, but not limited to, HUD. Such administrative directives, rules and regulations are subject to change by an act of Congress or an administrative change mandated by HUD. Such changes can occur with little notice or inadequate funding to pay for the related costs, including the additional administrative burden, to comply with the changes.

A significant portion of the Agency's revenue and other support is from the following sources for the years ended June 30, 2020 and 2019. Total amounts by source and percentage of total revenue are as follows:

	2020		2019)
	Amount	Percent	Amount	Percent

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Board of Directors Extended Housing, Inc. Painesville, Ohio

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Extended Housing, Inc. (a non-profit agency), which comprises the statement of financial position as of June 30, 2020, and the related statements of activities and net assets, functional expenses, and cash flows for the years then ended and the related notes to the financial statements, and have issued our report thereon dated February 25, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Extended Housing, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstance for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Extended Housing, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of Extended Housing, Inc.'s financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and questioned costs as finding 2020-001 that we consider to be a significant deficiency.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Extended Housing, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

22

Extended Housing, Inc.'s Response to the Finding

Extended Housing, Inc.'s response to the finding identified in our audit is described in the accompanying schedule of findings and questioned costs. Extended Housing, Inc.'s response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Extended Housing, Inc.'s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Cleveland, Ohio February 25, 2022

Independent Auditor's Report on Compliance for Each Major Program and on Internal Control Over Compliance Required by the *Uniform Guidance*

Board of Directors Extended Housing, Inc. Painesville, Ohio

Report on Compliance for Each Major Federal Program

We have audited Extended Housing, Inc.'s compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on Extended Housing, Inc.'s major Federal program for the year ended June 30, 2020. Extended Housing, Inc.'s major Federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with Federal statutes, regulations, and the terms and conditions of its Federal awards applicable to its Federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for Extended Housing, Inc.'s major Federal program based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations*, Part 200, *Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards (Uniform Guidance)*. Those standards and *Uniform Guidance* require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major Federal program occurred. An audit includes examining, on a test basis, evidence about Extended Housing, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for the major Federal program. However, our audit does not provide a legal determination of Extended Housing, Inc.'s compliance.

Opinion on Each Major Federal Program

In our opinion, Extended Housing, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major Federal program for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of Extended Housing, Inc. is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Extended Housing, Inc.'s internal control over compliance with the types of requirements that could have a direct and material effect on its major Federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance for its major Federal program and to test and report on internal control over compliance in accordance with *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Extended Housing, Inc.'s internal control over compliance.

24

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a Federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance possibility that material noncompliance with a type of compliance requirement of a Federal program on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance with a type of compliance requirement of a Federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of *Uniform Guidance*. Accordingly, this report is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND QUESTIONED COSTS (CONTINUED)

YEAR ENDED JUNE 30, 2020

Section II – Financial Statement Finding

Significant Deficiency 2020-001: General Accounting Matters

Condition:	A number of journal entries are recorded through the year-end audit process since a number of account reconciliations were not prepared and/or differences were not resolved on a timely basis.
Criteria:	A good system of internal control requires that management have an adequate understanding of all accounting matters affecting the operations of their organization and that timely account reconciliations are performed throughout the year.
Cause:	Management feels that these year audit adjustments and account reconciliation differences were the result of the turnover in the Director of Business Operations and Finance position.
Effect:	The effect of this deficiency is that misstatements may not be identified and corrected on a timely basis.
Recommendation:	We recommend that all account reconciliations are timely prepared and, where possible record all adjustments prior to the year-end audit process.
View of Responsible Official and Planned Corrective	s
Action:	Management agrees with the finding and feels that as the Director of Business Operations and Finance gains more experience with the Agency and its operations including the accounting system that these adjustments and account reconciliation differences will not reoccur to the extent that they occurred during the year ended June 30, 2020.
